MUSEUM FOUNDATION

FOUNDERS CIRCLE

The National Medal of Honor Museum in Arlington, Texas, the National Medal of Honor Monument in Washington, DC, and the National Medal of Honor Institute will stand in perpetuity as reminders of the values and valor displayed by our country's bravest heroes – Medal of Honor recipients.

COURAGE & SACRIFICE | COMMITMENT & INTEGRITY | CITIZENSHIP & PATRIOTISM

Their uncommon courage under fire helped protect and preserve the freedoms which define our democracy today. Of the more than 40 million individuals who have served in the Armed Forces since the Civil War, fewer than 4,000 have received the Medal of Honor - our country's highest recognition for valor in combat - and only 60 are living today.

This important project is only possible because of the generosity and leadership of many grateful and patriotic Americans. A very special group of individuals who support our mission at the highest of philanthropic levels comprise the Founders Circle.

The Founders Circle recognizes donors who have taken their cumulative commitment to an exceptional level of **\$1 MILLION AND ABOVE** to expand our impact and extend the legacy of Medal of Honor recipients in unprecedented ways. This generous investment can be paid over the course of four years.

GRATITUDE & APPRECIATION

The National Medal of Honor Museum Foundation's Board of Directors, National Advisory Board, and the National Leadership Council express their enduring gratitude and deep appreciation for your thoughtful consideration of a generous Founders Circle level gift.
