LEADERS CIRCLE

The National Medal of Honor Museum in Arlington, Texas, the National Medal of Honor Monument in Washington, DC, and the National Medal of Honor Institute will stand in perpetuity as reminders of the values and valor displayed by our country's bravest heroes – Medal of Honor recipients.

COURAGE & SACRIFICE | COMMITMENT & INTEGRITY | CITIZENSHIP & PATRIOTISM

Their uncommon courage under fire helped protect and preserve the freedoms which define our democracy. While nearly 40 million individuals have served in the Armed Forces since the Civil War, fewer than 4,000 have received the Medal of Honor - our country's highest recognition for valor in combat. This important project is only possible because of the generosity and leadership of many grateful patriotic Americans. A very special group of individuals who support our mission at the highest of philanthropic levels comprise the Leaders Circle.

The Leaders Circle designation is reserved for families, individuals, and organizations who will support construction and programmatic development with a personal gift between *\$100,000 to less than \$1 million*. Contributions may be made as a generous one-time gift or through an installment contribution agreement of up to three years.
